Mrs Laura Wray,

Newton Mearns
Glasgow

10th June 2002

Dear Mrs Wray,

Fiona Muir or Harvey

I write to inform you that Ms Muir or Harvey was excluded from the University, with immediate effect and permanently, on 30th May 2002. This was in part as a result of the various difficulties that you personally have faced, but also as a result of various difficulties that other students and staff at the University faced as a result of her behaviour.

I am also writing to express my personal regret to you that I did not act decisively sooner in the matter, the result of which inaction was that your whole year at Strathclyde was affected, doubtless detrimentally. I hope nevertheless that you have found benefit from your time here; and also that in future you and your family can live your lives without the harassment to which you have been subjected for so long.

I am,
Yours sincerely,

Professor Kenneth McK. Norrie
